

20th October 2017

Dear Parents/Carers,

To mark the end of our topic on ancient Greece, year 5 will be holding an ancient Greece day on Friday 10th November.

On this day, children will be making ancient Greek masks and shields representing Sparta or Athens, explore Greek dancing, discover the ancient Greek alphabet and sample a selection of Greek foods.

Children are invited to attend school dressed up in Greek Costumes on this day if they wish. We do not expect parents to incur any expense, a plain white bed sheet with a belt will suffice.

We would be grateful if you could complete the slip below if your child has any allergies.

Thank you for your continued support.

Yours sincerely,

Miss Esty
Class Teacher

YEAR 5 – ANCIENT GREECE DAY 10TH NOVEMBER

My child has the following allergies:
